

# San Francisco - Shuttle Information

**Shuttle transfers are available by request only.** They must be reserved through the Road Bear RV online check-in **at least 14 days before your first rental day.** If online check-in is not completed 14 days in advance, shuttle transfers will not be available.

#### For rentals starting April 1, 2026:

Shuttle service must be added **at the time of booking or no later than 30 days before pick-up.** You will choose your transfer time and location during online check-in. Please note that many airports offer **drop-off only**, not pick-up.

Guests should be alert and fresh when picking up their RV. Driving whilst tired is when accidents happen, putting yourself, others, and the RV at risk.

Therefore, **we strongly recommend** for guests who are travelling into the USA from a mid/long-haul flight to pick-up their RV the next day and to have a hotel booked for their first night in the USA.

**1 suitcase and 1 carry-on** per person. No oversized items such as bicycles or surf boards can be transported.

**Airport – Drop off ONLY.**
